GENERAL INFORMATION

APPLICATIONS FOR TELEPHONE SERVICE

Applications for service, rates, changes in service, directory listings, directory advertising or other information, may be made by telephone, by mail, or in person to the Company's Business Office.

ACCOUNTS FOR SERVICE

Accounts are rendered monthly and are payable when rendered. Each subscriber's account shows charges for local service for one month beginning with date of bill, and Long Distance and Directory Advertising charges, if any, for one month preceding.

SERVICE DIFFICULTIES

Our aim is to render service that will be satisfactory to our customers. We realize that difficulties will occur despite all our efforts to avoid them. If at any time difficulties are not promptly corrected or unsatisfactory conditions persist, we will appreciate your communicating the facts to the Manager.

IDENTIFICATION OF EMPLOYEES

All employees of the Company whose duties require them to enter the premises of subscribers or others, are required to wear a badge similar to the accompanying illustration or to produce a card of identification from the Manager. Any person claiming to be an employee of the Company who is without this card or badge should be refused admission, and the Manager be notified at once by telephone.

INTERFERENCE WITH APPARATUS

A Subscriber is not allowed to remove or otherwise interfere with the wire connections or parts of any telephone apparatus leased from this Company, or make attachments thereto.

DIRECTORIES

Please check your listing and if it is incorrect in any way call the Business Office at once.

The Telephone Company assumes no liability on account of errors in or omissions from its directories. Telephone directories are and remain the property of the Company. They are printed for the exclusive use of the Company's patrons and are loaned to its subscribers. All persons are cautioned against reproducing their contents.

Subscribers must not use any binder, holder, or other attachments, except as provided by the Company.

MAGNETO RURAL PARTY LINE INSTRUCTIONS

Always listen before ringing, to ascertain if the line is in use and thus avoid interrupting a conversation that may be in progress.

Before calling a subscriber on your line make sure of his number by consulting the directory, then ring, being careful to make the signal distinct. The signal to give is indicated by the number following the letter "r". The first figure following the letter "r" represents the number of long rings, and the second figure, the number of short rings. For example, to call r-24, give two long followed by four short rings. Do not press the push button on your instrument when calling a subscriber on your line.

To call a subscriber on another line, signal the operator and give her the number. To signal the operator, press push-button while ringing.

When conversation is finished, replace receiver and give one quick ring off. Do not press push-button while ringing off.

Conversation should not exceed five minutes' duration. Bear in mind that while you are using the line other subscribers are unable to do so.

PUBLIC NOTICE

This Company's tariffs are open to public inspection. The Exchange Tariff may be seen on application to the Manager at the Company's Business Office. Long Distance Toll Tariffs may be seen on application at the Head Office of the Company, in the City of Montreal, Que., or to the Company's Manager at the toll centre of any locality, the name of which toll centre will be furnished by the Manager of the Local Exchange.

The following are the toll centres for the district covered by this directory—

STATION-TO-STATION ANYONE CALLS

When you are willing to talk to anyone at the called station, it is a Station-to-Station call. The charges begin when the called telephone is answered.

REVERSAL OF CHARGES

Charges on Long Distance calls may be reversed—that is, charged to the telephone you are calling. Travellers telephoning home may thus have the call billed against their own telephone.

PERSON-TO-PERSON CALLS

When you wish to speak to a particular person or department, it is a Person-to-Person call, and the rate is somewhat higher than that of a Station-to-Station (anyone) call. The charges begin when the proper person or department answers.

REPORT CHARGES

A small report charge is made on certain Person-to-Person and collect "Anyone" (Station-to-Station) calls which cannot be completed.

DOMINION GOVERNMENT TAX

Long distance messages for which the charge is 20 cents or more are subject to a Dominion Government tax of 6 per cent, not exceeding 25 cents for any message.

"You're wanted on the 'phone, Brown!"

Brown gets up and walks quickly over to the telephone. An important customer may wish to speak to him—a fair sized order may be at stake.

How easy to avoid all this delay and inconvenience.

Adequate telephone equipment, with an extension telephone on the desk of every clerk having occasion to make or answer a call is the cheapest form of insurance against waste and inconvenience.

Our Manager will be glad to suggest a telephone layout especially designed to suit your needs
